Your advisor will recommend courses for you to enroll each term. If a course from the list below is selected, it will be necessary for you to obtain the faculty member’s signature who is teaching the course. The signature should be placed next to the appropriate course in the box below. Your advisor and you are also requested to sign this form. After all signatures have been obtained, proceed to the Graduate Records and Advising Center.

The following courses require special permission from the faculty member who is teaching the course.
