## SPECIAL SUPERVISORY COMMITTEE APPOINTMENT PETITION

Individuals who do not have graduate faculty status at the University of Florida may serve on a graduate student's supervisory committee by special appointment petition. To submit such a petition, fill out this form completely and submit it to the Graduate Academic Office in your respective department. Incomplete, incorrect or unsigned forms will be returned unprocessed.

These special appointments are considered on a case-by-case basis. Special appointments may serve as regular members on supervisory committees, but they may not serve as a chair, co-chair, external member or minor representative on a supervisory committee. If your petition is approved, the nominee's name will appear in GIMS under your degree program information.
