GRADUATE PROGRAMS

Graduate students may seek academic training and research opportunities within the **Department of Civil & Coastal Engineering** or the **Department of Environmental Engineering Sciences**. We continue to improve and advance sustainability throughout our programs.

APPLY NOW

essie.ufl.edu/graduate

Application Submission Materials

- UF Application for Admission
- Statement of Purpose
- Three (3) Letters of Recommendation
- Official Transcripts and Diploma
- Official Test Scores - GRE and TOEFL or IELTS showing a required level of English proficiency
- Resume (*optional*)

APPLICATION DEADLINES

- **Fall:** March 1
- **Spring:** September 1
- **Summer (only EDGE program):** March 1

SCHOLARSHIP

We participate in the **Latin American Caribbean Scholarship** award program. Under Florida statute 1009.21, full-time students who are a citizen of a Latin American or Caribbean country (including Puerto Rico and the U.S. Virgin Islands) and who receive scholarships from the federal or state government shall be classified as residents for tuition purposes.

PROGRAMAS GRADUADOS

Estudiantes de posgrado pueden buscar entrenamientos académicos y oportunidades de investigación dentro del **departamento de ingeniería civil y costera** o en **el departamento de ciencias en ingeniería ambiental**. Nosotros continuamos mejorar y avanzar la sustentabilidad en todos nuestros programas.

APLICA AHORA

essie.ufl.edu/graduate

Documentos Requeridos Para Solicitar

- Un ensayo de una página describiendo el propósito para continuar estudios graduados
- Tres (3) Cartas de Recomendaciones
- Diploma y Transcripción Oficial
- Resultados de los exámenes para escuela graduada
- Resume (*opcional*)

APPLICATION DEADLINES

- **Otoño:** Marzo 1
- **Primavera :** Septiembre 1
- **Verano (solo para programas EDGE):** Marzo 1

BECA

Nosotros participamos en el programa de premios de becas del **Latin American Caribbean Scholarship**. Bajo la ley de Florida 1009.21, estudiantes a tiempo completo quienes son ciudadanos de un país en latino américa o el caribe (incluyendo Puerto Rico y las islas Vírgenes) y que reciban becas del gobierno federal o de su gobierno local serán clasificado como residentes para fines de matrícula.
